

Did you know that a portion of your proceeds at Amazon can go towards a charity? Please consider **Angels4Paws Animal Rescue** as your charity of choice! It is very important to go to:

## [Smile.Amazon.Com](https://www.smile.amazon.com)

to shop once you are set up (set up only takes about 5 mins). The only difference is the **URL address in your browser must be [smile.amazon.com](https://www.smile.amazon.com)** in order for us to receive the donations. This is **NO EXTRA COST TO YOU!**

Be sure to search our organization name exactly **Angels4Paws Animal Rescue**. Same products, same great prices, prime shipping and all. Your account should automatically link to show past orders, shopping cart, etc. You do not need to "switch accounts"

These donations will go toward bettering the lives of the animals in our local shelter and help us with our fostering and adoption efforts. We would be most grateful if all of you could help in this small, but impactful way.
